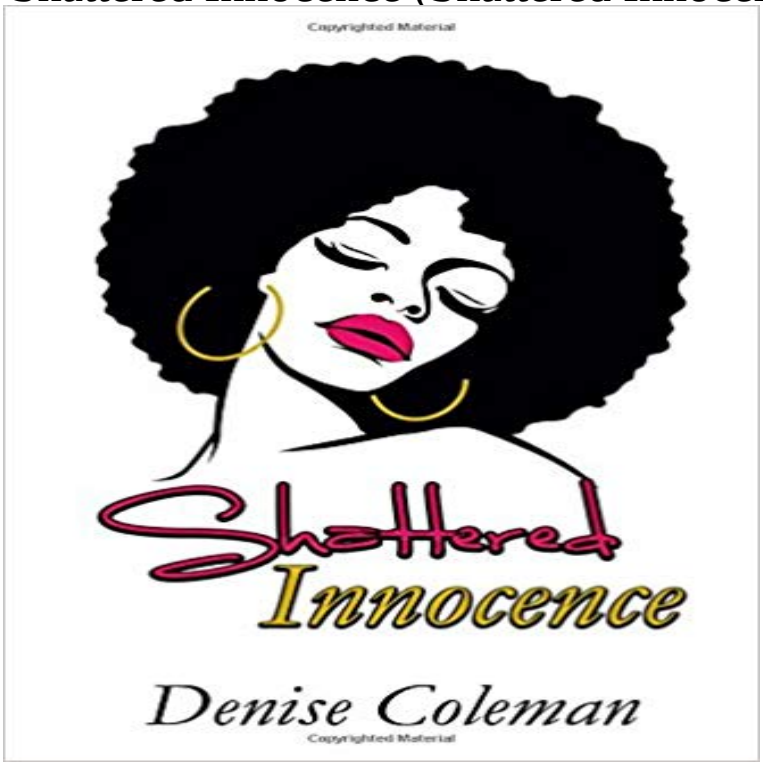
Shattered Innocence (Shattered Innocence Trilogy) (Volume 1)



Teek and Angel Kyle and their cousins, Troi and Keisha are beautiful and talented girls on the verge of living exciting lives. However, they find out early in life that the beauty and talent they possess is more of a curse than a blessing. Faced with being harassed and bullied by a group of haters, the girls defend themselves viciously and are forced to leave their home and family. They find themselves living in a strange city with family they barely know. They each try to make the best of the situation amid homesickness, uncertainty and a secret one cousin feels she needs to keep to herself. Just when each believes she will finally live a life that will make her happy, everything changes. Having not had the proper guidance, each girl is ill equipped to deal with the broken hearts, stalkers and unforeseen nemesis that enter their lives. In the midst of the chaos and turmoil of their young adulthood, each tries desperately to find out who they are and who theyre meant to be before they lose everything.
