Editor Rose Mokhosi explains As young black South African women today, we are truly fortunate to have been born into these exciting times, when we have the power to shape our own lives. All thanks go to our rich history, our mothers, fathers, and forefathers who led the way, fought the battles, and brought us to this point, this time, where we can express ourselves in freedom and celebrate our beautiful African heritage with pride. This collection will give you a glimpse into our thoughts, our experiences, our lives.
