

Why Should I Settle For Less

Growing up in a small town outside of Indianola, MS without a father around life was quite challenging for Meshia. Independent, strong minded, thoughtful, considerate, outspoken and hates to see anyone being mistreated is the best way to describe this one of a kind personality. The information she knew about men was hands on experience in her own household growing up. She knew men couldn't be trusted from seeing the way her mother was treated. Let's see if Meshia is strong enough to handle her own ride of lust and love from the physical and verbal abuse she received from her own relationships. Will she be able to forgive the ones that have hurt her and finally accept herself and things she can't change in life? Will this outspoken personality of hers get her in something that she can't quite step out of? Why Should I Settle For Less- Meshia's personal life experiences will keep every reader turning the page. It gives a sense of motivation for anyone to strive for the best and not to focus on settling for less. Although, tears will be shed, and laughter will be heard every reader will finish reading with a new and profound insight towards life!
