

## Game of Death (The Gunsmith Book 115)

A baseball team from the east is making tracks to Kansas aiming to prove their worth for the National League in an exhibition game. But there's more at stake than gamesmanship when they're up against a cur like William Ryker. Hell shoot a dog in the back if it'll score for his own team and when there's no such thing as fair play, the game only gets hotter.... Especially when Clint Adams is asked to play. With folks dropping like fly balls, the Gunsmith figures a ball team is as good as a posse. There's nothing less sporting than murders so this time the Gunsmith is playing by his own rules....
