

Emotional Electricity and True Haiku (2X the Heart)

BOOK 1: EMOTIONAL ELECTRICITY
Although poems by gay writers are aplenty, I feel that this short read of 12 collected poems that I wrote speaks volumes about a mantra that I hope that I and others will follow, doing ones best to pursue aspirations and dreams, me trying to find a place to fit in in society, me trying to be heard and recognized for all my talents, my take on romances ability to hold one completely mesmerized and to ignite passion and my thoughts about bigotry.

BOOK 2: TRUE HAIKU This collection of 32 poems aims to calm restlessness, to ease pain and to induce introspection. Poems that are all about autumns change and winters chill, death, doubt, dreams, equality, faith, fears, knowledge, love, mental health, truths and more are sure to entertain.
