

My Mind The Menace: A Poetry Collection: Take a look into my mind if you dare....

This is my publishing debut And I am dedicating it to anyone whos ever hated the skin they were in and been ashamed of their emotions. Here I have put together a collection of poems from my darker moments to show that no emotion is permanent and moving forward is always possible. I have chosen them because of what they mean to me. Im warning you that some of the poems are raw and unrefined. So take a look into my mind if you dare.
