

Text-Book on Hydraulics

New York: Henry Holt and Company, 1913. Second Edition, Revised. Octavo, olive cloth boards, gilt spine imprinting, vii + 195 pp. + [1] + 2 + [1]. Very Good. Corners and spine ends show modest wear, original owners has penciled notes on endpapers (erasable except for ink signature). Otherwise, quite strong, bright, and firmly bound. A nice example. L-36n
