

All in a Day

Its Friday the 13th back in 1958, and as the quaint Yorkshire Dales village of Dibbledale awakes, unsuspecting as to what lies ahead on that infamous day of bad luck and superstition, a number of personal dramas, narrated with humour and a touch of pathos, are all to be played out. Following tales of love, deceit, hope, and schoolboy pranks, before the hour of midnight each will know their fate, when lives will be changed forever for either better or for worse.
