

APC - Your Practical Guide to Success

Crammed with practical information, this guide has been written especially for candidates. It leads you through each stage of the RICS Assessment of Professional Competence (APC) program from enrollment through to final assessment, results and appeals. Fully updated to reflect the recent changes to the process, this fourth edition covers: dates and deadlines; record-keeping and report-writing; the core competencies; the final assessment; interview techniques; and, appraisal, referral and appeal. The author, a leading APC trainer and assessor, has included plenty of tips and tricks from the other side to help minimize the stress of this daunting process. There are also real-life case studies, checklists, FAQs, dos and donts, extracts from forms, and invaluable advice for referred candidates. This is the essential guide for today's APC candidates. Complements the official APC guidance produced by RICS and is a useful supplement for any candidate undertaking the APC - Suzanne Roberts, Membership Operations.
