

Earth - Eternal Love Poems with Pain 1 (Indian Indie Poetry)

Pardon me, but these poems are not written by a poet. These are words filled with love and pain of a 17 year old school student for his first love, his high school love. Although you won't mistake these poems to be that of a true poet, nevertheless, every single emotion portrayed in these poems is the thirst of a high school teenager for his sweetheart whose love he still hasn't been able to win, six years hence. Each and every incident in these poems is real. Even the degree of imagination and extent of pain is indeed very real, and not exaggerated nor manipulated. He still yearns for his first love and the pain and emotions flow in these poems which portray his suffering and anguish in the most accurate possible manner. NOT. Not all poems are in English. Many poems are in Hindi (using English as the script). Many poems are in Hinglish (using English as the script). A lot of the poems are still in English. You will find exactly 201 poems in this kindle ebook most of which were written between April 2007 and sometime in 2008, when the incidents took place. These poems may not be the best you have ever read, but the suffering and anxiety which these poems portray are real emotions which portray the thoughts of a patient suffering in love. The author is still in depression and on anti-depressants six years hence. His body has been manipulated and spoiled by the anti-depressants and the doctors don't believe that he will ever be able to live without them, not again in this life at least. This is the kind of true love this amateur lover expresses in his words through this ebook. The only thing which is fake in this ebook is that the name of his sweetheart has been changed to Annie Sawyer to hide her actual identity. Because he doesn't want to hurt her, even now. And for the more strong hearted people, I, Aakshey Talwar, the owner of Weaving Thoughts, am the author of each one of
