

Exam Prep: Building Construction For The Fire Service (Exam Prep (Jones & Bartlett Publishers))

Exam Prep: Building Construction for the Fire Service is designed to thoroughly prepare you for a fire service building construction promotion or training examination by including the same type of multiple-choice questions you are likely to encounter on the actual exam. To help improve examination scores, this preparation guide follows Performance Training Systems, Inc.'s Systematic Approach to Examination Preparation. Exam Prep: Building Construction for the Fire Service is written by fire service personnel explicitly for fire service personnel, and all content has been verified with the latest reference materials and by a technical review committee. Your exam performance will improve after using this system!
