

## Black Holes (Mud Creek Horrors)

Grandfather, father, and son all work for the same sexual sadist who has emasculated them both financially and emotionally. These sharecroppers cope with their desperate lives differently, each trying to survive physically and mentally, one by drinking, one by praying, and one by engaging revenge fantasies as gruesome as the heinous acts perpetrated by their boss man. Their struggle of overcoming the indignities endured by black men in the early 20th century in a rural Central Texas community threaten not only their manhood, but the stability of their minds and their family.
