

Moonlight Calls (Demons Call Series Book 1)

The most powerful creatures of the supernatural community are inexplicably drawn to Mya, but she refuses to acknowledge the power growing inside her- not the least of which is the ability to make the undead explode on contact. Aided by her sexy roommate and a powerful new lover, she struggles to stay under the radar and out of the hands of monsters that would use her for their own gain. However, when Mya is forced to embrace the heady, soul stealing darkness that lies within her in order to save the life of a missing child, it may leave her irrevocably changed. Moonlight Calls combines elements of paranormal romance, urban fantasy, and erotica, and is the first book in the Demons Call saga. This book contains action scenes, explicit steamy sex scenes, and adult language.
