

May The Baddest Bitch Win 2

When Princess is finally happy, and she thinks the drama in her life has come to an end, she is taken by surprise when she is hauled off to jail on the day that her hair salon opened for business. With Princess behind bars, Doja is free to roam the streets and do as he pleases. What neither one of them knew was that Doja sleeping with the enemy was what caused Princess to get locked up in the first place. She is now facing a boat load of charges that could land her in jail for life, and she may never get a chance to meet her unborn baby. Dojas unloyalty showed when he was about to leave to go to New York with Jazelle; that is, until is Jazelle is faced with a few challenges of her own. The past has a way of presenting itself in the future, and Jazelle finds that out the hard way. Will Doja have her back and leave Princess high and dry? Or are both of these ladies on their own? Find out these answers and more in this action packed sequel!
