

## Carpentry and Joinery Volume 2, Second Edition

The second edition of Carpentry and Joinery 2 is the second in a series of three books which together provide an authoritative and clear coverage of Carpentry and Joinery NVQ Levels 2 and 3. Each chapter has been completely revised and integrates the craft theory, associated studies and details of practical procedures in building construction. With this highly illustrated book the reader can develop the skills of using hand tools and power tools efficiently and effectively.

Incorporates the use of new materials and modern techniques  
Stresses safe working principles throughout  
Is ideal for independent study
