

## Champion Breed III: Knocked Out (Volume 3)

With the tournament just days away, the fate of Deons gym hangs in the balance. No one has seen or heard from the Puerto Rican Pounder since the conclusion of Damaris private bout. Finding Santana becomes Romans top priority, forcing the seasoned fighter to throw something besides jabs and hooks. Navigating the insatiable libidos of virile athletes becomes his only option to track down the thieving boxer. Hopefully, hes not too late. Roman isnt the only one desperate to save the gym. Pretty Boy Q struggles with being loyal to Deon and solidifying his chances of gaining the notoriety that would propel his boxing career. A title belt would guarantee his chances of getting big ticket fights. But it could also mean the closing of the place that made him what he is. Deciding on whether to make a deal with the Devil or just focusing on his future becomes even more difficult with the weight of expectations from Brent bearing down on Quentin. There are no easy answers. Just messy solutions that may burn everyone.
