

Charmed by the Best: Love The Way You Lie

Is it possible to love two men simultaneously? This is the foremost question on Chayne's mind as she is forced to confront the drama associated with being entangled in the ultimate love triangle.

Chayne is gorgeous, intelligent, classy yet sassy and is admired by many. Nevertheless, she remains closed to the possibility of new love because her heart still beats for her high school sweetheart Devon. Devon is everything Chayne loves: charming, tall, handsome, and a star basketball player to boot. However, the two were forced apart by distance as they embarked on two different collegiate paths.

Despite distance and time, Chayne and Devon, both remain unwilling to completely move on. That is, until Chayne meets Sterling, a handsome, articulate, college athlete, who comes from a wealthy family. Enamored by her charm and beauty, Sterling sweeps Chayne off of her feet, or so he thinks. Now Chayne's path has led her down twist and turns and ultimately to a fork in the road, Devon or Sterling? While attempting to embrace love, she is faced with the consequences of opening her heart to two different men. Chayne's world is consumed with love, lies, and loss as she attempts to answer the question, how do you follow your heart when it is split between two loves?
