

## Charnel Knowledge

The Killing of Sister George goes down under in Charnel Knowledge by Fiesta Carrera. Charnel Knowledge takes aim at lesbian bloodlust, Anzacs, psychiatrists and missionaries in a flagrant, sexually-charged comedy crossed with a science thriller, ranging from inner-city Sydney to north Queensland and on to the Scottish Highlands. Blossom Bravo is the fading star of axed soap opera Pensioner. Her lover, kitty litter heiress Pandora Mainprize, tries to rescue Blossom from the clutches of the bottle and grasping starlets. Rent boy, Marvin Tripplehorn, moves from a tent in Blossoms backyard to a gratifying fiscal relationship with Darcy, a Gallipoli veteran. Pastor Esmond Savages love for his pet emu leads him to commit the unpardonable sin. As Narelle Urdzanna, documentary maker and Aboriginal activist, learns the high price to be paid for arousing Pandoras charnel desires, so K. Y. Gellibrand, author of The Waistland, a novel concerning intrigues at a diet resort, is stalked by a serial killer.
