

Code Check Commercial: An Illustrated Guide to Commercial Building Codes

Code Check Commercial is a field guide for code issues commonly encountered in the construction of retail stores, offices, warehouses, health services locations, schools, service stations, hotels, restaurants, apartments, and condos. Using clear language and informative diagrams, Code Check Commercial is based on the 2009 International and Uniform Codes and the 2009 National Electrical Code. The spiral-bound CODE CHECK series emphasizes the central safety principles that underlie building codes. With durable laminated pages, it is designed to be used on-site for quick reference.
