

Acting Scenes And Monologues For Young Teens: Original Scenes and Monologues Combined Into One Book

Cool new original monologues and scenes for teens 13 to 17 years old. Whether a teen needs a solo piece, or a scene to perform with another actor, this book offers age-appropriate scenes with humor, drama, and crisp dialogue. If you are a teen or tween and would like to be an actor in film or television, you will need to practice... just as someone who wants to be a great singer or a great athlete practices. This book features high drama and comedy with crisp dialogue, mostly set in present day ... with a couple of period pieces thrown in to show an actors range. Notes From The Coach are hints and suggestions throughout the book designed to help the actor interpret the material. Famous actor quotes and insights are also sprinkled throughout the book. The scenes and monologues were first performed in workshops in Los Angeles by professional young actors, and were rewritten with their help and advice. This book not only provides the tools, but is a lot of fun. This is the companion book to Acting Scenes and Monologues For Kids!
