

I Want: Everything

The last thing twenty-four year old Mercedes Cambridge, a medical intern, wants to do before she checks in for her shift at the hospital, is to parade in a stripper costume in front of a bunch of drunken rich men. But she does it as a favor to her brother. Tumbling out of a cake, Mercedes locks eyes with an absolutely gorgeous sexy blue eyed man dressed in an expensive suit. She knows before the night is over, he could go further than any man has gone before. Thirty year old Porter St. Clair is rich, powerful, and arrogant. He wants everything life has to offer, and he wants it now. Hes not content to wait on anything, especially when he sees the stunningly beautiful Mercedes, with her brown skin, long legs, and enticing body pop out of a cake, and fall into his arms. He wont be satisfied until he has her the way he wants.
