

## DATO: Diagnostic Scenarios for Heating/AC - Cengage Learning Hosted Printed Access Card (Automotive Multimedia Solutions)

DELMAR AUTOMOTIVE TRAINING ONLINE - DIAGNOSTIC SCENARIOS (DATO) Heating/AC creates a rich-media learning experience for your students and challenges them to master diagnostic and repair practices in 10 realistic scenarios that span all systems areas. Combining sound instructional design with top-quality computer graphics, students develop their critical thinking skills and apply them to real-world customer concerns. Each scenario addresses a simulated problem on a specific vehicle and teaches students to use a structured diagnostic process that starts with a customer-stated concern on a repair order and ends with repair verification. DATO minimizes on-screen reading and maximizes engagement by requiring learners to prove that they've done the critical thinking and problem-solving involved in problem diagnosis. Unlike other rote-learning online solutions, DATO requires learners to do more than click their way through the program. It's also a lot more fun! DATO Diagnostic Scenarios System Requirements Intel Pentium II 450MHz or faster processor (or equivalent) 128MB of RAM Microsoft Windows Vista, Microsoft Windows XP, Mac OSX 10.5, 10.6 Graphics adapter with Minimum 1024 x 768 display resolution, 32 bit depth Minimum Display Resolution 1024 x 768 Broadband Internet Connection Internet Explorer 6.x, 7.x, or Firefox 2.x, Firefox 3.x, Safari 3.x, 4.x, 5.x Popup blocking software disabled Flash Player 10.x Recommended: Local or Network Printer
