

Deus (Deus Series Book 1)

Ripped from their lives by demons and revived by angels. Alex, Ryan and Katie find themselves up against forces they never dreamed existed. Only now those forces are coming after them. They now have to fight just to stay alive. But the demons killed them once, and they will certainly do it again. But they wouldn't go down without a fight. And they intend to fight until their last breath. Because this isn't a fight, this is war.
