Get ready for some out of this world orgasms in this short story series box set. The earth shaking sex stories in this bundle include your favorite science fiction romance erotic stories. Mature content for 18+ eyes only! Including: Sex Toy - Book One: Chasidys New Toy First Time Romance, Alpha Male Romance, Billionaire Romance, Dominant Male Romance Excerpt: Dalton sprawled his body ovetop of Chasidy, kissing the back of her neck and shoulder blades as he lay on her. She loved the crush of his mass, the heat of his wet skin bearing down on her, the drip of sweat drops beading down from his own body and sliding down hers. He began seductively massaging her shoulders, easing up the tension in her limbs, all the while pecking her repeatedly on the neck. As though just happening to do so while he was at it he unhooked her bra from the back, sliding the straps halfway down her torso, and continued massaging her shoulders for a while. Eventually he raised himself up enough for her to roll over, the bra still covering her modesty by the aid of gravity alone. Sex Toy - Book Two: Playtime Teen Romance, Coed Romance, Sex Toys, College Romance, Cuckold, Cheating Wife Excerpt: He placed his hands tenderly onto her fully clothed breasts, inundating them with the same electrical current that was flowing through her lips. She had to pull her head away this time, her lips quivering, light, birdlike chirps being evoked. Eh... Eh... Eh... She could honestly say she had never experienced anything quite like this before. Her body felt simultaneously numb and hypersensitive, every nerve ending lit up, waves of pleasure emanating from her aroused and succulent breasts. As though she would starve if deprived of his kiss any longer she dove back into him, leeching onto his face for life support. XXXperiment - Book One: Casual Encounter of the Third Kind Science

Fiction Romance, Time Travel Romance, MMF Threesome Excerpt: She leaned into the stream of the shower head, and let the thick, sudsy streams of lather cascade down across the planes of her body, washing down along her surface like a raging waterfall, gliding perfectly, drops curving around her navel and dribbling down into her pussy, trickling down her legs and then at last rolling down into the holes of the tub drain. The shampoo from her hair rained an opaque curtain of white around her field of vision, and she closed her eyes to avoid it, savoring the hot, beautiful, steamy feeling, rolling her head around sensuously, her hand moving slowly for the wet gap between her legs. And that's when she felt a thick hand tapping her from behind.
