

Automotive Mascots: A Collectors Guide to British Marque, Corporate & Accessory Mascots

A full colour guide to British radiator and accessory mascots of 1896 to 1960 compiled by two leading experts in the field. Packed with information and stunning pictures, this comprehensive guide is a must for collectors and would-be collectors. As well as detailing the authors collecting experiences, the book tells the reader how to get started, where to buy and - very importantly - how to spot fakes. 54 British marque mascots are covered, as are mascots produced by corporations such as ICI and the accessory mascots which owners could purchase to individualise their cars
