

La opera fantasma (Spanish Edition)

En La opera fantasma, Mercedes Roffe, una de las voces mas destacadas de la poesia argentina actual, acude a la musica como modo de regresar a la palabra. El titulo del libro tomado de la Ghost Opera del compositor chino Tan Dun sirve de punto de partida para explorar el territorio del poema de un modo original, en sentido etimologico. La opera fantasma regresa asi a la palabra despues de un periplo por el mundo de la musica (de Bach a Gorecki, de Hildegard von Bingen a Arvo Part) pero tambien de la pintura (Odilon Redon, los Nabis, Remedios Varo), de la etnologia y el ritual (como lo entendia Artaud), para reencontrarse con la poesia, en un camino igualmente desbrozado de antiguas retoricas y modas pasajeras. Diversos saberes y distintas aproximaciones al hecho poetico confluyen en este libro singular para dar lugar a un canto que, partiendo de lo experimental, se remonta a las raices mismas de toda poesia.
