

## Alien Tatters

Prose. Poetry. ALIEN TATTERS is a series of prose poem meditations in response to (someones) sightings of UFOs and encounters with aliens. The writer has been/is being abducted. The writings are the situations tatters, its tatterings. Inevitably funny (except perhaps to the true believer), the work is also sad and scary. Lights came. My god, blobs. A sneaky little rill. Bought them a box of shoes made of chocolate. Small silver wire, challenge kit. The Frenchman walks off into the noise with his girl. From the bottom of the craft, enough darkness to fill, replace all our missing nights?
