

Forbidden (Collection)

Enter the world of the Forbidden, if you dare. The Gothemaran are a harsh warrior people. When they collide with the men and women of Earth and are met with resistance, a war begins that will change the face of both civilizations. Passions collide with tradition and a new way of life must be forged or both peoples will lose the best parts of themselves. Both sides must learn that love is a force stronger than even the staunchest warrior, and sometimes the heart takes you places you never thought you'd be.
