Forever Mine Box Set has series 1 2 3 4 5
This book (Interracial, Multicultural, and African American BWWM) is for individuals 18 and over. Matthew: The day Amanda came to my home with her mother, there was something about her which affected me. My desire for her was deep, carnal, and I couldn't admit then what I felt for her. Her innocent smile summoned me, and I felt a need to make her mine, forever. Amanda: My mother had been a maid in Matthew Cross's mansion when she died. Living in his house, being near him, my feelings grew stronger as I grew older, until I could no longer control the coursing heat of desire running rampant through me. Now I'm eighteen and my mother is gone, his wife is divorcing him, and we have each other in this big house. Forever Mine 2 Amanda: I thought we could live happily ever after. Matthew Cross is my prince charming. He slayed all the dragons but one, his ex-wife. She's back and she wants him and I don't know what to do. Maybe I'm just a headstrong insecure nineteen-year-old, but I know one thing, when a woman wants my man, she will do anything to get him. Series 1-5 contain bonus chapters of my books.
