

## Full Circle, A Novel

Full Circle, excerpt from Chapter 8  
\*\*\*\*\*Time passed as the girls partied, danced and drank themselves into oblivion. Journey and Alex were feeling high and had finally pried themselves off of the dance floor, and back upstairs to VIP as Romeo and Sway approached them. I see you ladies are having a good time, Romeo said seating himself next to Journey on the sofa. Yeah, we are, Journey responded breathless, Romeo can you order me a glass of water, please. My mouth is so dry. Uh, no Romeo, Ill get it, Sway interjected before Romeo could stand up. You want to take a walk over to the bar with me? he asked looking at Alex. She smiled and stood up. This was her opportunity to finally touch bases with Sway in an attempt to get on a more personal level. The burning question on Alexs mind was whether or not he was in a relationship with someone. They walked together side by side, raising eyebrows and initiating whispers as they passed by the women who were swooning over Sway earlier that night. Alex knew the women were wondering who the hell she was, and she loved the attention and the glares she was receiving from Sways fan club. It also allowed her to relive a time in her life when she was considered the it girl. You look really good tonight, Sway complimented Alex as they sat at the bar on stools that were facing out toward the crowd. Thank you. You are looking extra fine tonight yourself. Almost good enough to eat, Alexs intoxication left her totally uninhibited. She had no problem freely saying what was on her mind.Sway looked at her out of the corner of his eye to see if she realized what she had just said. He chuckled and smiled and told her thank you. He ordered their drinks and looked over at Alex. So, whats up? I thought you and my boy were tryin to get to know one another? We did, Alex said looking at Sway wondering what Romeo told him, we

went out the other night but then he brought me home and met Journey. And, well I guess thats all I have to say. Here I am with you and hes with her. Its all good though because I could only see Romeo and me as friends. Good to know, Sway said handing Alex her drink, dont move, let me bring your girl her water. As he stood up from the stool, he looked into Alexs glassy eyes and said, But I wanna finish talkin to you. Sway began moving through the crowd towards where Journey and Romeo were sitting. Alex could not help but to watch him walk. She was happy that he broke the ice; she did not want to have to come out of herself and become aggressive to attain his attention. She sat at the bar as Sway had instructed and waited for him to return. So, Miss Alex, Sway said coming back and sitting beside her, tell me about yourself, I mean besides you being beautiful, smart and independent. Alex looked at Sway and could not take her eyes off of his smooth lips and straight, white teeth. She wanted to kiss him. What is there to know? Im from Connecticut, graduated this past spring from NYU, no kids, two jobs and I live with my girl. From Connecticut, huh? Does that make you one of those snobby, uppity bitches who like to come here to shop but think they are too good to stop and talk to a brotha on the street. Well first of all, Im not a bitch of any kind and I would really appreciate it if you never use that term for women around me again, Alex said wondering if Sway was really worth pursuing. For a moment she thought she would have been better off sticking with Romeo. But the animalistic, sexual chemistry between she and Sway was undeniable and if she hadnt had any respect for herself, she would have taken Sway into one of the private session rooms in the back and fucked his brains out. Hold up, sweetie Im sorry, I was not implying that you are a bitch and it came out wrong, I apologize, he said picking her hand up from the bar and kissing each finger tip lightly. Alex
