

## First Country: Tinged with Rose (The Liberty & Property Legends)

THE LIBERTY & PROPERTY LEGENDS, VOLUME THREE. The grand adventure of The West & Gilded Age America continues... As winter maintains its grip in March of 1885, the hunt for Loren Bodecker is on! In the aftermath of the maverick attacks, with tensions escalating, relationships begin to deepen, complicating the path of justice and the lives of all involved. Marshal Dan Hummer deputizes Sheriff Cliff Ryan into the US Marshals. Accompanied by Ben Taylor, they set off to the Mile High City in search of Bodecker and find themselves caught up in the city's gilded elite and its notorious demimonde. Ben's passionate encounter with the beautiful and enigmatic Raina Montgomery will be a revelation. And in Cheyenne, for Luke and Emmaline, the arrival of two utterly unexpected visitors changes everything - forever. This third book in The Liberty & Property Legends saga begins where volume two EMPIRE FOR LIBERTY Dangerous Lullaby left off. In the risky business of procuring justice and searching for truth, FIRST COUNTRY becomes an unforeseen adventure in how and what it means to be - and become - family.
