

Stickup Boy: Young Hustler

Jamal knows that the streets only hold the promise of a dangerous, short life. Despite the risks, the young hustler decides to up his game and thought running up in a trap house full of dope boys and demanding all the cash and drugs would be a quick and easy come up. He was wrong. Dead wrong.

Even though Jamal literally dodged a bullet, he has a crushing debt over his head due to his folly. Slim, the despicably devious dealer pulling the strings, makes Jamal the leader of a stick-up crew that bends to his every want and desire. Wants and desires that violate Jamals manhood and sow the seeds of a longing for revenge deep inside the stickup boy. Stacks of dough and a love he never expected cant keep Jamal from stampeding towards his singularly focus: blind revenge. His pride wont let him. But with more to lose than just his own life, he has to decide if its all worth it in the end. If he can find the satisfaction the streets would undoubtedly deny him.
