

His Forbidden Touch

She was everything he ever wanted, but was forbidden to touch. Honor bound to see her across war torn seas, Damon knew better than to touch the young beauty so willfully trying to seduce him and discover the ways of men. But Damon is no gentleman, and when he finds himself stranded with the enticing Jocelyn, its all he can do to resist ruining her forever with his rough seduction. He wants her, desperately, and with no one nearby to stop him, can he continue to resist the lure of her supple young body and innocent kisses? Rating: Contains explicit language, erotic and oral sex, tortured hero, and a heroine who is determined to seduce an enigmatic, sexy ex-soldier who is honor-bound to resist his baser instincts and pin her to the sandy shores of a deserted island where there is no one to stop him from doing exactly as he wants. Re-edited, slightly expanded, and previously published as Forbidden.
