

In Search of Adventure: A Wild Travel Anthology

Exuberant and irrepressible, here's a mad gambol over the wide world with a gang of vociferous globetrotters. From the steppes of Mongolia to the Tanzanian bush, it's a tangle of crazy tales and hair-raising escapes and escapades that will take you from the outback to the way out. Full of surprises and surprising stories, this collection of travel tales doesn't just push the envelope; it shreds it. Irreverent, lively and unexpected -- it's just the thing to remind readers that adventure is, more than anything, a state of mind. (San Francisco Examiner 3/99)
