Take It From The Top TWO Bonus Stories Included! Heres a hot sample of what youre in for: A shower, she decided, had been exactly what shed needed. She leaned into the stream of the shower head, and let the thick, sudsy streams of lather cascade down across the planes of her body, washing down along her surface like a raging waterfall, gliding perfectly, drops curving around her navel and dribbling down into her pussy, trickling down her legs and then at last rolling down into the holes of the tub drain. The shampoo from her hair rained an opaque curtain of white around her field of vision, and she closed her eyes to avoid it, savoring the hot, beautiful, steamy feeling, rolling her head around sensuously, her hand moving slowly for the wet gap between her legs. And thats when she felt a thick hand tapping her from behind. Read FREE with Kindle Unlimited Preview This Book By Clicking Look-Inside Preview Above Mature content for 18+ eyes only!
