

Working Wife Box Set (An Alpha Male and Submission Erotica Collection)

Wife's New Boyfriend Tom cheated on his wife and now she's on the warpath. While he's sweating at home, she's out looking for a man that will help her get her revenge, by sleeping with her. Instead, she ends up on the wrong part of town with Tyrone, a thug who knows how to satisfy her like never before. Now Tom is gonna have to deal with some changes in their marriage, starting with having to watch Tyrone and his wife have sex in his own living room. Party Favors Her new boyfriend, Tyrone is an alpha male with a chip on his shoulder. If that wasn't enough, Laura is being promiscuous at her office party, in front of her husband. Things take a turn for the worse when Tyrone crashes the party with some ideas of his own... Pleasing the Clients Tom's wife has to work at her job in more ways than one. Usually on her knees. While Tom sits at home watching from the cameras specifically set up to torture him, his wife gets to have fun with every guy at the office, including the new boss and the copy boy. Her domination by the rich suits established, she then has to please some out-of-town businessmen who jump at the chance to treat a married woman as the weekend's girlfriend. 12k words
