

Last of the PoRicans y Otros Afro-Artifacts

LAST OF THE PORICANS Y OTROS AFRO-ARTIFACTS, the debut poetry collection of Not4Prophet, provides an incredible verbal and musical profusion of poetry that reflects the cultural landscapes of the perpetual islands of Puerto Rican and New York City through the eyes of a Puerto Rican born in Ponce, living in El Barrio/East Harlem and the South Bronx. As he elaborates this otherness, which includes the hassles of poverty, racial pride and racial discord, Not4Prophet pays homage to the old school cats from the Nuyorican and Black Arts movements. Written in free verse and layered with cultural and historical references, LAST OF THE PORICANS breaks boundaries and challenges us with iconic imagery and word play that dares to speak of the unspeakable..
