

Videomaker Guide to Digital Video and DVD Production

From the editors of Videomaker Magazine comes a guide that takes the novice, step-by-step, through the elements that create a quality video production. The Videomaker Guide provides information on all the latest tools and techniques available to help you shoot like the pros. The series of short sections covers what you need to know and is easy to dip into as a reference on a shoot. The third edition is bursting with new material and has been updated to include topics like shooting, serving, encoding, streaming, editing tips, making streaming slide shows, MPEG, and DVD and CD authoring and burning. Whether you're a novice videomaker or prosumer, learn to make better, more exciting video with the Videomaker Guide.
