

This Charming Man: A Novel

The lives of four very different women have been shaped and battered by one charming man. . . . Ireland's debonair politician Paddy de Courcy the John F. Kennedy Jr. of Dublin has captured tabloid headlines and the imagination of his country with his charm and charisma. But the crushed hearts he's left behind him reveal more about his character than his winning, vote-getting smile. Lola, Grace, Marnie, and Alicia have all suffered from his selfishness and cruelty. But with Paddy's political star ascending, the time is finally ripe for redemption . . . and perhaps a bit of revenge.
