

Look Down, This is Where It Must Have Happened

Praise for Hal Niedzviecki's fiction: Hal Niedzviecki is a remarkable writer. Margot Livesey Niedzviecki is a gifted writer, thoughtful and insightful. The Globe and Mail: There's tons of talent here. NOW: The acclaimed author of *The Peep Diaries* and *Hello, Im Special* returns to fiction and delivers a mind-altering collection of short stories that confront the hypocrisies, humiliations, and hilarities of modern life. Hal Niedzviecki has established himself as one of Canada's most influential young writers, and in this wildly imaginative collection he romps through social conventions, confronts some of society's most intractable arguments, and deftly captures the zeitgeist of our fractured times.
