

Luck &

Londyn is a curator of bad luck. First she catches her cheating boyfriend then she's set to arrive in Vegas a couple of days earlier than her best friend's bachelorette party. Due to a situation, Londyn was also swindled out of being the maid of honor. Alone in Vegas, Londyn sets out to find some activities, but will she be ready for Hendrix? Hendrix aka Keene Anderson aka millionaire arrives in Vegas early to take care of some business and arrangements for his best friend's wedding. After running into Londyn a few times, he sees that she needs to relax, and he's the perfect man to help her. Londyn's fortune may have temporarily changed, but when luck follows her home, and secrets are revealed, things become more interesting.
