This sizzling-hot collection contains over 16,000 words of first-time erotic encounters, diamonds in the rough, and unexpected romance under the Texas stars. Contains the following stories: 1. Couted by the Billionaire Rancher Veterinary worker Claire Maxwell is delighted when she's called out to assist the wealthy, handsome rancher Blake Collingwood with his prized show horses. What she didn't expect was that the powerful, confident young billionaire would turn his sights on the young woman! Before long, romance blossoms between the two. What will happen on the edges of his lonely ranch, miles away from civilization? 2. Riding the Gentleman Cowboy When Charlotte's rich uncle passes away and leaves his ranch to her, the lonely city girl finds herself in an unfamiliar world. Before long, she meets the rugged, kind, and capable Luke, a handsome and capable cowboy with a gentleman's air. Luke is more than happy to show her the ropes, and despite coming from different worlds, they soon find they do share one thing: an intense longing for each other that quickly leads to passion and romance. 3. Sin and Lust in the Gold Rush When the handsome young rancher and wealthy landowner, Jacob Charles, tries to buy the land right out from under two aspiring prospectors, it's up to Sarah Wilson to protect her family's claim against the powerful, resourceful man. Ever the gentleman, Jacob accepts her refusal to sell, vowing to return with an even more compelling offer. But when Sarah discovers large quantities of gold while panning the river, she's quickly set upon by a gang of opportunistic ruffians. Things seem bleak for the young woman... until Jacob, wielding a six-shooter and possessing

deadly aim, manages to rescue her. Suddenly Sarah is exposed to softer, more noble side of the young rescuer - but will mutual competition over the gold come between their budding attraction for each other?
