CAPTURED BY VIKINGS When young shepherd Audric is captured by a gang of marauding Vikings on their way to raze his village, he's taken as their slave-- and worse, they also capture his lover, Jonathan. Stripped bare and tied up at the mercy of the Viking leader, things are only going to get worse for the two of them. Can their love for each other carry them through, or will they succumb to despair at the hands of their brutal captor?

CAPTURED BY THE DRAGON When down-on-his-luck thief Khal sees a strange woman with a purse full of gold, he thinks that she'll be an easy mark. Unluckily for him, following her with the intent of taking her purse turns out to be a big mistake. It turns out that she's a servant to a dragon, and that dragon has certain urges. Since there's no other dragons nearby, the monstrous creature is all too happy to take those urges out on Khal's body. Chained up at the dragon's whims, Khal can only hope for mercy...

In these three hot stories, you'll find: Blackmail, Knotting, Mating, and breeding. Public use, First times, and even more ravishment and rapacity! For mature readers only!
