

Northlanders 2: Song of the Bear

On the Island of Tir na nOg, Tranorva comes face to face with her destiny. Her mission: free Clan Bear from slavery deep in the mines of Elahandara. Her party: a dead man, a thief, a madman, and a prophet. Together they share a vision for freedom that will not be held captive. They have nothing to lose but their lives. In a land ruled by Magic, Prophecy has come full circle. Take no prisoners. Leave no one behind. Elahandara must fall.
