

Vermont November

The poems in this chapbook are sketches of life in northern New England as experienced by Jonathan Neske in November and December of 2013. The poems capture the stillness, quiet, and humor of life. Neske is open to the mystery of moments and leads the reader to a sense of wonder. Neske lived in a cabin in Danville, Vermont where he wrote these eight poems. The chapbook is both a thank you gift and a holiday card to friends and strangers.?
