

## One Fish, Two Fish, Big Fish, Little Fish: Silver Dawn (Smugglers in Paradise) (Volume 2)

Life continues to move on for the Ramos family. Julia's death scattered some to the sea and broke others. After more than a dozen years most have recovered, at least outwardly. Now one of her nephews begins a summer vacation on the South East Asian Sea with his dad and an old family friend that thrusts them into Triad danger, reignites old friendships and causes ripples in family relationships across the globe. Follow the remainder of the Ramos family as they chase whispers, cross paths, sail the seas and learn more about the deadly people and games being played around each of them.
