

Ovid: Metamorphoses IX-XII (Aris & Phillips Classical Texts (Paperback)) (Bks. 9-11) (Latin Edition)

Ovid's Metamorphosis is a work which displays his mature genius and is a treasure house of mythology. This volume continues in the same style as books I-IV, V-VIII; with a line by line translation and notes which trace Ovid's sources and his influence on literature and art. It has, however, been designed to stand alone or to be read as a sequel to the earlier volumes. Latin text with facing-page translation, introduction and notes
