

## The Maid of Orleans, the Story of Jeanne dArc for Girls (Classic Reprint)

It was Twelfth Night in Domremy, a little French village. Out of doors the winter wind chilled the peasants who made their way along the narrow streets between the low stone houses. The valley mists from the river Meuse, here a small stream, swept through the hamlet, tangling themselves like silky smoke in the overhanging thatch of the cottages. Yet no one seemed to mind the cold or the fog, for Epiphany is a time for sport and gayety. (Typographical errors above are due to OCR software and don't occur in the book.)
