

Past Suspicion (Christian Romantic Suspense)

Dont trust anyone... So whispers Robins mother just moments before she dies. Uprooted from all shes ever known, Robin Finley is on the verge of turning 18 when she is forced to her mothers old hometown to live with an uncle shes never met. The town is small, but it shelters big secrets. Robin encounters two mysterious young men, a tragic mansion, and disturbing questions about the past. While unraveling the threads of her mothers shrouded life, Robin meets more confusion. Her soul longs for peace and her heart yearns for love--yet shes consumed by suspicion and fear. Why did her mother flee this town so many years ago and never return? Robins determination to discover the truth ensnares her in a tangled web that spans the years and threatens to destroy her future.
