

Up-To-Date Air-Brake Catechism: A Complete Study of the Air-Brake Equipment, Including the Latest Devices and Inventions Used (Classic Reprint)

Excerpt from Up-to-Date Air-Brake Catechism: A Complete Study of the Air-Brake Equipment, Including the Latest Devices and Inventions Used The success of previous editions of this book has led the author to add several new chapters to the present edition, and at the same time the work has been revised and corrected to date. I desire to now express thanks for the many favorable letters received from students of the Air Brake. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
